

## TRIPLEX Continuous Duty "Piston" Pump

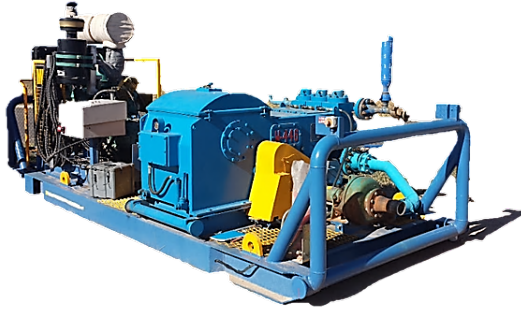

Suitable for onshore drilling and well service continuous pumping operations

Capacity: 600gpm or 3,000psi  
 Height: 2.5m  
 Width: 2.5m  
 Length: 6.0m  
 Weight: 9,000kg

Approximate size

### Advantages

1. **Efficiency**
  - Up to 600gpm or 3,000psi
  - Continuous duty cycle pump
  - Remote control panel allows operations from rig floor
2. **Safety**
  - 4x Emergency Stops and Battery Isolator
  - Guards around moving parts
  - Fire extinguisher

### Specifications

- Detroit 8V-92T Engine (450 HP)
- Allison HT-750 5 Speed Automatic Transmission
- EWS-440 Continuous Duty Triplex Pump
- Remote control panel
- Stroke Counters
- Electric Starter
- 4x5 Magnum Charging Pump
- Internal Lubrication & Liner Wash System
- Discharge Connection Size: 3" Normal Flange 3 1/8"-3,000psi Ring Gasket R-31
- Fluid End Working Pressure Rating: 3,000psi
- Valve Size: API#4
- Piston Rod End: API#S-2
- 5" Fully Covered Exhaust System

### Safety Features

- Remote Kill on Remote Panel
- Safety Guards around all moving parts
- Bunded Fuel Tank
- Radiator Overflow Site Glass
- Flame Proof Alternator
- Pressure Relief Valve (3,000psi max)
- Lagging around Exhaust
- Fire resistant hoses
- 4x Emergency Shutdown Points on skid

### Options

- 4½" or 6" liners available on request

	6" stroke		Strokes Per Minute	300	250	200	150	100	50
	TRIPLEX			Input Horsepower Rating					
	Piston & Liner Size	Discharge Pressure	Gallons per revolutions	Output Gallons Per Minute					
EWS - 440 LP Triplex Pump (MP01)	4½"	1826	1.239	372	310	248	186	124	62
	3½"	3000	0.75	225	187	150	112	75	37
EWS - 446 Triplex Pump (MP02)	6"	1027	2.203	661	551	441	330	220	110
	5½"	1222	1.851	555	463	370	278	185	93
	5"	1479	1.53	459	382	306	229	153	75
	4½"	1826	1.239	372	310	248	186	124	62
	3½"	3000	0.75	225	187	150	112	75	37

# Oilfield Rental Solutions

One Company | One Complete Fluid Solution

### Fluid Storage & Management

- Mobile & Skidded Frac Tanks
- Frac Ponds
- Mobile Flowback Tanks
- DST Tanks
- DFIT Tanks
- Agitator Tanks
- Acid Tanks
- Dual Skin Tanks
- Transfer Pumps & Hoses
- Vacuum Trucks & Fluid Transport

### Drilling & Completion

- Mud Pumps
- Drill Pipe
- Pipe Bins
- Well-Test Equipment
- Flowback Iron
- Flare Tanks

### Site Infrastructure & Service

- Spill Containment Equipment
- Potable Water Storage
- Non-Potable Water Storage
- Trailer Mounted Toilets
